

Help us expand our spay/neuter program.

WE NEED YOUR HELP.

A generous donor approached us to help expand our spay/neuter program and, of course, we said yes! This donor has pledged to donate \$300,000 if we are able to raise \$100,000 by December 20, 2023.

OUR STORY

When Allegan County asked Wishbone if we would manage and operate the Allegan County Animal Shelter, we said yes! What was once a high-kill shelter is now a No-Kill rescue that has been able to maintain a success rate of over 90% since 2014, despite still operating as a municipal shelter with open intake. Our spay/neuter program is critical to our success.

CURRENT PROGRAMS

- We spay or neuter each animal that is adopted
- We trap, neuter, and return outdoor and feral cats for the community
- We sponsor spay/neuter surgeries for low-income families in Allegan County

All of these efforts lower the number of homeless pets in our county and help us work towards our goal of a 100% placement rate.

PROGRAM BENEFITS

INCREASE LOW & NO-COST SPAY/NEUTER

Help reduce the cat and dog overpopulation in Allegan County by providing affordable spay/neuter surgeries to the public, lowering the number of intakes at the shelter

IMPROVE SURGICAL ROOM AND MEDICAL EQUIPMENT

Expand our space for performing surgeries and upgrading to state of the art medical equipment, including a second surgery table and modern oxygen and anesthesia equipment to improve efficiency

FUND REQUIRED COSTS OF EXPANDING MEDICAL SERVICES

We will increase our veterinary staffing and supplies to meet increasing demand

PURCHASE A NEW VAN FOR TRANSPORTATION

Our current van is unusable due to safety concerns; a new van would benefit us in transporting animals for public spay/neuter, providing free pet food for low-income families through our monthly pet food pantry, transporting animals to adoption events, and delivering supplies to the shelter
